

2010 Brown County Annual Boat Launch Information

The Brown County Annual Launch Pass must be permanently affixed to the backside of the trailer winch post. If the design of your trailer prohibits the clear view of the sticker, place the sticker on the left side of the winch post in a visible location. Stickers not permanently affixed or not displayed properly are invalid and may result in a fine being issued.

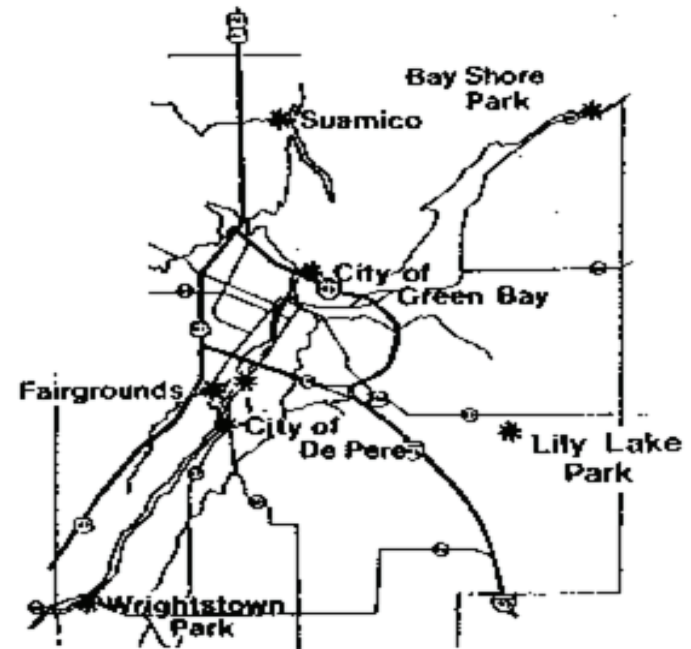

Note: Stickers will not adhere to trailers that have a protective coating such as road armor. We suggest mounting stickers on a piece of plexiglass or similar material and mounting it on the trailer tree/winch post. Some trailer models with this protective coating may have an uncoated location on the jack stand mounting plate where you could adhere the sticker.

Canoes, kayaks and all other vessels without trailers can affix the sticker directly to the vessel or rear bumper on drivers side of vehicle.

An additional sticker is available for \$5 for a second trailer only if both boats are registered to the same person. You must provide your registration receipt from your first sticker and proof of ownership of both boats to purchase the second trailer sticker. Registration must be current.

If you sell or transfer ownership of the trailer a \$5 replacement sticker can be obtained by removing the old sticker from the trailer and returning it to the location you purchased it. You must return the old sticker to receive the replacement sticker. If the sticker is not available to return you must contact the Facility & Park Department at (920) 448-4057.

The Annual Launch Pass is valid at all boat launches operated by the City of Green Bay, City of De Pere and Brown County as listed on the back side of this flyer.

Brown County

- **Bay Shore Boat Launch, 5637 Sturgeon Bay Road**
- **Lily Lake Boat Launch, 3897 Lily Lake Road, Eaton**
- **Suamico Boat Launch, 777 Sunset Beach Road, Suamico**
- **Wrightstown Boat Launch, 620 Washington Street**

De Pere

- **Bomier Boat Launch, 700 Fox River Drive**
- **Fox Point Boat Launch, 1075 N. Broadway**
- **Perkofski Boat Launch, 1500 Fort Howard Avenue**

Green Bay

- **Metro Boat Launch, 102 Bay Beach Road**

Fees from the sale of launch passes are used to improve boating facilities throughout Brown County.

Thank you for your support and cooperation. The four boat launches operated by Brown County close in late October to early November depending on weather.
