- Door Alarms
- Chair Alarms
- Motion sensors w/caregiver pager
- Warning signs
- Specialized locks
- Home safety detectors
- Glow tape

Leisure

- Adaptive TV Remote
- Adaptive Games
- Adaptive puzzles
- Adaptive books
- Twiddle muffs
- Time slips
- Music & Memory
- iPad w/apps
- Activity pillow
- Weighted Blanket
- Key Finder

Grooming/Dressing needs

- Flow charts
- Dressing stick
- Sock aid
- Universal cuff

Feeding Needs

- Red plate/cup/utensils
- Dycem
- Weighted utensils
- Food measurer

Medication Management

- Locked medication dispensers
- Medication organizers
- Talking med clocks
- Talking medication bottles

Communication

- Communication cards
- Weighted pen
- Picture phones

Fall Prevention

- Glow/ colored tape
- Grab bars
- Core strengthen DVD
- Reacher

Memory Aids

- Memory Books
- Talking clocks/calendars
- Memo Boards
- iTraq

AT Home With Dementia: Assistive Technology Support

NO
Assessment
Fee thru
6/15/15

How the Program Works

A Specialist comes to the home and learns about the needs of the individual with Dementia or memory loss in order to:

- Improve or maintain physical and emotional health
- Improve safety
- Improve independence
- Enhance the care giving experience by reducing caregiver stress
- Lengthen the amount of time the person remains at home

Program Description

Reason for service:

This unique program was developed to address the home safety needs of individuals with memory loss and to assist their caregivers through the use of assistive technology (AT). The recommendations will focus on adaptive equipment and AT to support the person with memory loss and the caregiver. **There are no fees for a home visit. A \$20 credit given towards recommended AT items.**

**Call for Information and Appointment:
920-593-3521**

First year survey finding after Home Visit:

- 83% of caregivers had greater piece of mind
- 80% burden of safety concerns have been relieved
- 67% saw improvement of the function of person with memory loss

Home visit Assessment Areas

- Home Safety
- Grooming Needs
- Feeding Needs
- Fall Risk
- Medication Management
- Communication
- Cognition/Memory/Decision
- Leisure

Funding Source

Funded By a Basic Needs Giving Grant, A Partnership of the Greater Green Bay Community Foundation, including the U.S. Venture Open Fund for Basic Needs, the J.J. Keller Foundation, and donors of the Community Foundation.
