

## HOME CARE AND HOUSING OPTIONS FOR INDIVIDUALS WITH SPECIAL NEEDS

### Home Care Options

**RESPITE CARE:** Respite care is a short-term, temporary relief for family caregivers. Respite can take place in the home as well as out-of-home settings such as adult day programs, adult family homes, nursing homes and CBRFs.

**COST:** Varies depending on the length of time.

**FUNDING:** Self-pay and COP/CIP funding. Eligibility for funding through the COP/CIP program is determined through an assessment process and normally there is a waiting list.

**ADULT DAY PROGRAM:** Adult Day Programs is a planned program of activities designed to promote well-being through social and health related services. The intent of an adult day program is to provide an opportunity for social and mental stimulation and to provide respite for caregivers. Most operate during the daytime hours and normally a nutritious meal is available and personal hygiene assistance is provided.

**COST:** Rates will vary depending on level of care needs.

**FUNDING:** Self-pay and COP/CIP funding. Eligibility for funding through the COP/CIP program is determined through an assessment process and normally there is a waiting list.

**HOME HEALTH CARE:** Home health care agencies provide in-home support services that range from skilled and non-skilled nursing care to assistance with basic activities of daily living and housekeeping. These support services allow for the individual(s) to remain independent and reside in a comfortable/familiar environment.

**COST:** Rates will vary depending on the level and type of care needs.

**FUNDING:** Most agencies accept Medicare, Medicaid, COP/CIP, self-pay, and some private insurances.

**SUPPORTIVE HOME CARE:** Provides necessary assistance for eligible persons in order to meet their daily living needs, ensure adequate functioning in their home, and safely access their community. Services may include monitoring health, safety, medication, and personal care needs.

**COST:** Please contact provider for rates.

**FUNDING:** Accepts self-pay and COP/CIP funding. Eligibility for funding through the COP/CIP program is determined through an assessment process and normally there is a waiting list.

**DAILY LIVING SKILLS TRAINING:** A range of services for individuals who need instruction and guidance to successfully complete routine daily living tasks. Services are intended to improve the participant's ability to perform routine daily living tasks and utilize community resources more independently. Services are focused on skill development and are not designed to provide substitute task performance. Daily Living Skills Training includes skill development in the following areas: personal hygiene, housework, money management, food preparation, and accessing community resources.

**COST:** Please contact the provider for rates.

**FUNDING:** Accepts self-pay and COP/CIP funding. Eligibility for funding through the COP/CIP program is determined through an assessment process and normally there is a waiting list.

## HOUSING OPTIONS

**SUPPORTED APARTMENTS:** For individuals who have the ability to live in their own apartments with additional support for them to be successful. Support can be available for one hour up to 24 hours. Monitoring of safety, medications, health issues; skills building in the areas of budgeting, paying bills, housekeeping, meal planning, and social outlets.

**COST:** Please contact the provider for rates.

**FUNDING:** Self-pay and COP/CIP funding.

**ADULT FAMILY HOMES:** A place where three or four adults who are not related to the provider reside and receive care, treatment, or services that are above the level of room and board. Services may include up to seven hours per week of nursing care per resident.

**COST:** Rates will vary depending on level and type of care needs.

**FUNDING:** Accepts self-pay and COP/CIP funding. Eligibility for funding through the COP/CIP program is determined through an assessment process and normally there is a waiting list.

**RESIDENTIAL CARE APARTMENT COMPLEX (RCAC):** A place where five or more adults reside that consists of independent apartments, each of which has an individual lockable entrance and exit, a kitchen, and individual bathroom, sleeping and living areas. Provides 28 hours or less per week of services that are supportive, personal or nursing services.

**Certified RCAC:** Accepts self-pay, some insurances, COP/CIP, and Veteran Benefits. Inspected every two years; complaints investigated.

**Registered RCAC:** Accepts self-pay, some insurances and Veteran Benefits. Not inspected but complaints are investigated.

**COST:** Cost will vary depending on services.

**COMMUNITY BASED RESIDENTIAL CARE FACILITY (CBRF):** A place where five or more unrelated people live together in a community setting. Services provided include room and board, supervision, medication monitoring, support services, and may include up to three hours of nursing care per week.

**COST:** Rates vary depending on level of care needs. Some rates are all inclusive.

**FUNDING:** Self-pay, COP/CIP, Veteran Benefits, some insurances.

**NURSING HOMES:** A residential facility that provides 24-hour nursing care services, including room and board. These residents generally require 24 hours of nursing care due to their physical or mental limitations.

**COST:** Please contact provider for rates.

**FUNDING:** Self-pay, Medicare, Medicaid, some insurances, Veteran Benefits.
